

ACCESSIBILITY POLICY

The www.envaflex.net website has been validated for these standards and tools:

- Use of the W3C standards
 - [XHTML 1.0 Transitional](#) language
 - Language for [CSS 2.1](#) style sheets
 - [Web Content Accessibility Guideline](#) (WCAG level AA)
- How the elements are shown on the screen and the content is coded in a **logical order**.
- Simplified browsing system comprised of a main menu
 - [XHTMLStrict](#) and [CSS 2.1](#) language
 - Web Content Accessibility Guideline ([WCAG](#) level AA)
 -

KEYBOARD SHORTCUTS

These are the keyboard shortcuts:

- h: Home
- a: Accessibility Policy
- p: Privacy Policy
- m: Site Map

The use of access keys is conditioned by the browser.

- Internet Explorer: ALT + shortcut + ENTER
- Firefox: ALT + Shift + shortcut (in older versions ALT + shortcut)
- Opera: SHIFT + ESC + shortcut

The website has an AA accessibility level, expanded with several level AAA points and recommendations, to improve end accessibility.
